The Baptism of Jesus

In our whole school Celebration of the Word on Monday, we celebrated the feast of the Baptism of our Lord and heard that the voice of God told us that Jesus was the Son of God, the beloved one.

Take a few moments to share the Gospel with your child. What can they tell you about it?

GOSPEL

MATTHEW 3:13-17

At that time: Jesus came from Galilee to the Jordan to John, to be baptised by him. John would have prevented him, saying, 'I need to be baptised by you, and do you come to me?' But Jesus answered him, 'Let it be so now, for thus it is fitting for us to fulfil all righteousness.' Then he consented. And when Jesus was baptised, immediately he went up from the water, and behold, the heavens were opened to him, and he saw the Spirit of God descending like a dove and coming to rest on him; and behold, a voice from heaven said, 'This is my beloved Son, with whom I am well pleased.'

If your child is baptised, this is a great week to talk about their baptism and pray for their parents and godparents.

Some children who are not baptised have expressed an interest in being baptised. We can be baptised at any age; you can find information on the next page if you or your child are interested in being baptised.

If you are baptised, say a prayer of thanks for your own baptism, your parents and your god parents.

If you would like to be baptised, take an information card home and talk to an adult.

Pray for those who are recently baptised, waiting to be baptised or interested in being baptised.

What Is Baptism?

Baptism is a special celebration in the Christian Church. It is when a person is welcomed into God's family and into the Church.

Why Do People Get Baptised?

People choose to be baptised because:

- ✨ It shows that God loves them
- ✨ It welcomes them into the Christian family
- ✨ It is the start of their journey of faith
- ✨ It reminds them to try to live like Jesus

You can be baptised at any age.

Thinking About Baptism?

If you are **not baptised** and would like to know more:

1. **Talk to an adult at home** about baptism.
2. If they agree, you should speak to Fr Julian.

Mrs Hamilton, Miss McGough, Mr Hewitt or your teacher will be happy to help you and answer your questions.

Watch Me Learn Maths

A big thank you to all the families who were able to join us for our Watch Me Learn Maths sessions on Monday. It was great to hear your positive comments about how much you enjoyed the sessions and found them useful to be able to help your child. Many of you saw that rapid recall of number bonds and times tables are absolutely essential for success in Maths.

You can help your child to do their best by practicing times tables or number bonds (depending on your child's age) for a few minutes each day using:

*TTRS

*White Rose One Minute Maths

Fluency Homework

Children in Y1 – Y6 are asked to complete 4 maths question each night at home. These are designed to practise rapid recall of number facts, calculation methods and skills already taught. Completing these will help your child enormously. Please speak to your child's teacher if they have any difficulties.

RE Homework Project January 2026

Thursday 1st January 2026 was the World Day of Peace. Pope Leo XIV's first words as Pope were: "Peace be with you all," and he continues to tirelessly work for peace around the world.

WORLD DAY OF
PEACE

On Tuesday 6th January, we celebrated the Epiphany by remembering the three wise men who followed the star to bring their gifts to Jesus; The Prince of Peace. We are reminded to seek peace with Jesus just like the three wise men did.

Our RE homework project this half-term is to create a piece of work which promotes peace. Take a look at the ideas below and use them to inspire you. What does peace mean to you? How will you spread God's peace in the world today?

*God gives me
Peace*
JOHN 14: 27

Please bring your finished projects in to school by Friday 6th February.
