

## Things to Note. . .

- How can you help at home....
- Listen to your child read regularly and discuss what you have read.
- Read to your child.
- Talk to your child about what they have been doing at school—what they are enjoying or even finding tricky.
- Help your child to learn their timetables (.x2, x5 and x10).
- Remind them to hand in their homework and reading books each week.
- Send your child to school prepared for the day: PE kit, full uniform etc.
- Encourage them to start having independence for their own belongings.

- Reading Books are changed on a Monday, and a Thursday but children should bring in their reading book and diary everyday.
- PE is on a Wednesday and a Friday.
- Spellings are given a Friday for a test on the following Friday.
- This term we will be focusing on the 2 x table. Times tables tests are tested on a Friday.
- Children should bring their Fluency books home each day to complete their daily Fluency homework. Children need to bring their books back to school every day.
- Fruit costs £1.00 per week.

## Literacy

In Literacy this term we will be looking at the following fiction units: An extended text—*George's Marvelous Medicine* by Roald Dahl.

In Non Fiction we will be able to writing a non chronological report and an Explanation Text.

In spelling we will learning lots of different spelling rules, with a focus on the suffixes: -ly, -er and -est, -ment, -ness, -ful and -less.

Reading— Children will take part in daily whole class reading sessions to help them to develop fluency and comprehension skills. They will share a book as a class at the end of each day and will visit the library once a week, where they can select a book to take home.

## Religious Education

We will learn a range of parables and miracles of Jesus and also learn about special celebrations that we take part in.

We will learn about the Season of Lent and Easter and the symbols associated with it.

We will take part in class and whole school worship and say daily prayers.

## Maths

In maths we will continue to become secure in addition of subtraction of 2digit numbers.

We will learn about multiplication and division and how we can use these operations to solve problems.

In mental maths we will become increasingly confident in recalling our x2,x5, and x 10 tbles.

## Science

Our science units this term will be:

- Materials and their Uses
- Plants

## Art

This term we will be looking at Expressive painting. We will be taking inspiration from Vincent Van Gogh, Paul Cezanne and other famous artists.

## PHSE

We will be continuing with our 'Jigsaw learning', where we will thinking about our dreams, goals and aspirations.

## History

We will be studying local History this term. We will talk about what Stoke-on-Trent is famous for. Learn about the pottery industry and focus on the life and work of Josiah Wedgewood.

## D&T

In D&T we will looking at textiles, where will be designing and making cuddly toys.
