

## **Why a home school agreement?**

At St Joseph's Catholic Academy, our priority is to ensure that our children are safe, happy and able to learn.

We understand that this can only be achieved when children, families and school work together.

We believe that parents are a child's first and forever teacher and value the partnership that we have with families.

This home – school agreement sets out what the children, their families and school will do so that each child fulfils their individual potential.

## **Our mission statement**

**“With God, all things are possible!”**

Matthew: 19:26

At St Joseph's, we inspire and nurture our children to be the very best that they can be, trusting God and asking Him to show the way.

**We teach children about:**

**Aspiration** (determination to do their best in all that they do)

**Resilience** (coping with challenges and bouncing back after problems)

**Compassion** (taking action to help others who are in difficulty)

**Opportunity** (making the most of every opportunity given, every day)
